

### REMARKS

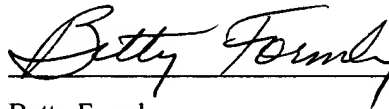

Claims 1-40 are pending in the present application and have been allowed. By the present submission, claims 29 and 40 are sought to be amended to correct errors that were inadvertently included in the Examiner's Amendment.

In claim 29, the word "of" is sought to be inserted into line 11 for clarity; in claim 40, the word "connected" is sought to be deleted in line 5, as the presence of two verb in this line is confusing. The undersigned agent spoke to the Examiner on August 25, 2006 regarding the word to be deleted in claim 40; the desirability of amending claim 29 was discovered during preparation of this response.

The examiner is invited to call the undersigned at the below-listed telephone number if in the opinion of the examiner such a telephone conference would expedite or aid the prosecution and examination of this application.
